Sid-BITS

 I hope you all had a wonderful holiday season. I got to spend some time at home, which I used for my favorite pastime: reading comic books, of course! No holiday season would be complete without gifts, and I got some great ones: warm fuzzy slippers, (to wear when I read comic books,) a tin of imported hot chocolate, (to drink when I read comic books), several CDs (to listen to when I read comic books), and a tie. (What, you think I'd wear a tie to read comic books? What kind of stuffed shirt do you take me for? The tie is to wear when I buy the comic books. Have to make a good impression on the shop owners.)

For all you other people who love to read comic books, you couldn't have come along at a better time, because this is the month that sees the premieres of not one but two great comic books.

First off the presses we have Beethoven, that irrepressible fur ball of a St. Bernard. I'm sure you've all seen Beethoven's Second, the movie sequel that took audiences by storm last month. (If you haven't, put down this comic book and go see it now! I'll wait). Beethoven's back, with the new dog of his dreams and 4 adorable puppies. A couple of months ago we brought you the movie adaptation comic book, (a full-length movie in 32 pages: that's talent for you!) Now Beethoven returns with all-new comic stories! In this month's issue, Beethoven gets hit on the head and forgets who he is, and ends up thinking he's a movie

stunt dog! Also, when a priceless gold dog collar disappears from a doggie museum, it's Sherlock Beethoven to the rescue!

As if that weren't enough, this month also brings us another premiere: The Stone Protectors! You know them as the stars of toys and television, the strangest interplanetary warriors in creation! Now you can find Cornelius, Chester, Maxx, Angus, and Cliff in the rip-roaringest comic book this side of the cosmos! In this, their first issue, the Stone Protectors battle the evil Saurian troops, but a deadly traitor in their midst may be their undoing! It's a nail-biter!

And, as always, we have plenty of other titles to keep you busy this month: Underdog, Casper the Friendly Ghost, the Muppet Babies, Alvin and the Chipmunks, and Richie Rich, and that's only scratching the surface! Be good, keep reading, and I'll see you next month!

and we get letters...

Dear Casper,
Why do you help the meanest people?
I started a GREAT clean-up club! It is
hard work. Do you have a clean-up
club?

Mary Levine
Nashua, NH

Dear Mary,
A clean-up club sounds like fun! I bet I help mean people for the same reason you clean up: if you leave mean people alone, they'll just get meaner. But if you work hard and be their friends, they'll "clean up their acts", so to speak!

Your friend,
Casper

Dear Richie Rich,
How come you and Gloria don't get married? I hope you and Gloria get married soon.

Your friend,
Deana Smith
Hannibal, MO

Dear Deana
Thank you for your letter. Unfortunately, Richie is so busy doing - um - things, that he doesn't have time to read his fan mail.

Yours sincerely,
Mayda Munny

Dear Richie,
Mayda Munny really likes you. If you get married to Gloria, you will break Mayda's heart! I know that you don't like to hurt people. Please don't hurt Mayda.

Your friend,
Katherine Tremblay
Aliso Viejo, CA

Dear Katherine,
Well, what do you know. Richie just showed up. Oh, Richie, I've got a letter for you...

Dear Casper,
I love reading your comics. They're great. The pictures are so colorful. And you're always trying to help out. When there are new people in the neighborhood you go visit and make friends. Well, Casper, I don't think anyone can read your comes without

a smile.
Your friend,
Jessica Warren
Asheville, NC

Dear Jessica,
I don't think any ghost could read your letter without a smile!

Your friend,
Casper

Dear Dot,
I have a poem I wrote just for you!
Here it goes:

Dot, dots everywhere/They are so rare/
Some are on a chair/Some are on a mare/
Some are on a pear/And some are in people's hair./
When dots are everywhere/They can make the shape of a bear/And make people stare

Did you like it? I made it up all by myself. How come you like dots so much?

Your friend
Nicole Brugger
Holland, MI

Dear Nicole,
I'm sure I don't need to tell anyone who wrote such a beautiful poem why dots are wonderful!

Dottily yours,
Little Dot

Dear Hot Stuff,
In my comics you always want to go to the tropics. If you like them so much why don't you move there? I'm sure there will be a cave for you to move in to. It would probably be a good place to grow hot peppers. And if there were any snakes or bears you could just use your trident to warm them up!

Your fan,
Allison Loberg
Beaverlodge, Alta. Canada

Dear Allison,
Wow, there's an idea! Move to the tropics, where it's hot all year round. Where the ground positively sizzles! Where it's thousands of miles away from my home...sigh...and my parents...sniff...and all my friends... Wait. Ask me again.

Okay. Dear Hot Stuff,
If you like the Tropics so much - Hey! What are you trying to do? Get rid of me? Well, this is one little devil you aren't going to fool!

Smartly yours,
Hot Stuff

Dear Wendy,
It must be a pain in the neck to have three aunties. I have a question: how come witches are supposed to be bad? How come you're good?
Thank you,
Carla Thomas
Edmonton, Alberta Canada

Dear Carla,
I love my aunties, but they are a little hard to live with sometimes. Witches are just like everyone else, some are good, some are bad.

Love,
Wendy

Dear Wendy,
Your comics are great! I never miss an issue. I think that you should talk to your aunts. They are too harsh on you. Tell them to be good witches like you.

Your good friends,
Jennifer Garcia & Krista Butler
Long Island, NY

Dear Jennifer & Krista,
Thank you for reading my comics! I've tried to make my aunties be good, but it's hard to teach an old witch new tricks!

Love, Wendy
